

C.5 Closure Rituals Checklist

Use this checklist to complete your session with a closing ritual. Tick the ritual you used and add notes.

Ritual		Notes
☐	Slow breathing	
☐	Grounding (look around / sense objects)	
☐	Stretching / Physical release	
☐	Calming phrase / Affirmation	
☐	Butterfly Hug	
☐	Safe Place recall	
☐	Journaling	
☐	Other	

Stop rule: If a ritual feels unhelpful or uncomfortable, skip it. Choose another or focus on breathing.
The goal is to return to calm and closure after each practice.
